

It's easy to send large data files to Rolfe, Benson LLP using SendThisFile.

SendThisFile is a secure file transfer service. Your private data is secured with a 128-bit end-to-end encryption. Once the upload is complete, an email is automatically sent to the recipient with instructions for access. Only the assigned recipient holding the access link may download the shared file. Then, upon your file's expiration, the data is securely shredded and removed permanently from the servers.

- No email attachments
- No software to install
- No file size limit
- No limit on number of files sent
- Works for all types of files

HOW TO SEND AND RECEIVE FILES

1. Go to our website www.rolfebenson.com and click on the **Client Centre** tab.
2. Select **Secure File Transfer** to access this feature.
3. Enter the recipient's **e-mail address** and additional information (see below).
4. Select your file by clicking the **Browse** button.
5. Click on the **SendThisFile** button to complete the transfer.
